Acknowledgements

If I were to write down the name of every person who has helped me organize this year's Blue & White, I would have to devote one entire page for my words of appreciation. I would like to acknowledge the aid offered by the following people who worked especially hard.

Special thanks to the Inner Executive: Liz Ritchie, who did a wonderful job as Advertising Manager, George Thurgood, the Business Manager, and Ray Rush, the Assistant Editor. Shirley Baschuk and Ann Mongeau, along with Mr. Krause's typing classes, put in long hours typing all the copy for the book and deserve recognition for their hard work.

The entire Blue & White staff and the staff advisors, Mr. J.N. Matteis, and Mr. Mandel contributed greatly to the organization of the annual. Thanks go to Mr. Brown, Mr. Mallender, and any other members of the staff who may have given assistance. And as always Walkerville's office staff, Miss Z. McKelvie, Miss H. Opacich, Mrs. H. Patrick, and Miss C. Roy, gave willingly of their time to help in every way they could.

MR. B. W. BROWN

This year we are saddened by the departure of a man who has devoted himself to making our school the great institution it is today and who has seen it grow both scholastically and athletically. This is of course, our principal, Mr. B.W. Brown.

Mr. Brown began his teaching career in 1930 with the Windsor Public Schools, upon his graduation from London Teachers College. During the time that he was teaching Mr. Brown was busy furthering his education, receiving his B.A. from the University of Western Ontario and his Masters degree from Wayne State University. In 1940, Mr. Brown was employed as

head of both the Commercial and Guidance Departments of Kennedy Collegiate. In 1952, he became vice-principal of Walkerville Collegiate and four years later was appointed principal.

Since 1952, Mr. Brown has witnessed a great many changes within our building. He has seen a new gym opened and just recently a new music room, library, and several new classrooms have been added. Our school is constantly changing and so are the courses offered within it. There is much more opportunity for the eager student now and our principal has always been pleased to see new courses being made available. The development of the art and music programmes has increased during the past few years and this meets much with the approval of Mr. Brown.

Upon his leaving, our principal has this to say to the student body and teachers of this school; "I will be very sorry to leave Walkerville Collegiate, which has, I believe, the finest group of students in Ontario. However, I am pleased to contribute towards introducing a new school, built for a new type of educational programme."

It is hard for us to say good-bye to a man like Mr. Brown, who has helped us so much and has been such a great asset to the school. We are grateful for the years Mr. Brown has spent at Walkerville and we wish him the best of luck as principal of Windsor's new Centennial Secondary School.

Cathy Rush.

A SAD FAREWELL

In 1943 Mr. A.C. Brown came to Walkerville Collegiate Institute. During the early years of his stay here, he initiated the Guidance Program, as well as teaching Latin. In the past he has been treasurer of the B.A.A. and director of the school orchestra and dance band. He was also a member of the Cadet Instruction Staff, helping out with the Signal Corps, Trumpet Band and Quartermaster Stores. We thank Mr. Brown for the effort he has exerted to make Walkerville a better school. Mr. R. McLeod joined the Walkerville teaching staff in 1940. Since then he has supervised the various Science Clubs which have been set up and for a few years sponsored the Camera Club. He also took on the responsibility of looking after the audio-visual equipment. Eight years ago, Mr. McLeod was promoted to Head of the Science Department where he has contributed greatly to our education. Mr. Burr has been a teacher at Walkerville Collegiate Institute for many years. This year he organized a program, in which students could take Greek as an extra subject during their lunch-hours. We are sad to be losing the Head of our Classics Department, but we wish him the best of luck in his political career.

On October the seventeenth of this year, Mr. Fred Burr, the head of the W.C.I. classics department, fulfilled a political ambition by being elected the representative to the Ontario Provincial Parliament from the constituency of Sandwich-Riverside. This time running as an N.D.P. candidate, Mr. Burr succeeded although he has served for several years on the Windsor Utilities Commission and once served as its Chairman. On behalf of the students of W.C.I. I would like to congratulate Mr. Burr and wish him much success in all his further endeavours.

SPECIAL THANKS TO MR. HAGGERT

Last year the Blue and White lost its staff advisor of seven years. He has devoted much time and effort to help give the students an outstanding book. Mr. Haggert deserves special thanks for the guidance he has given the executive and for the long hours he has worked as advisor. Every person who has read a yearbook of the last seven years will agree he has done an excellent job.

Principal's Message

Our schools are planned to provide an environment that encourages a pupil to acquire an education. The total efforts of those responsible for administering the schools and teaching in the classrooms are directed to this end. The activities initiated in the classrooms are the result of this environment and effort. These activities shape the character and provide the knowledge that will enable the pupil to achieve an independence of action that he can exercise to lead a good life.

Note that when a school provides the environment and direction the pupil has the opportunity to acquire an education, but desire and drive on his part are most important factors in this combination. A pupil must be motivated to become a student. Only an eagerness fired from within can assure an achievement that will enable him to realize his full potential.

B.W. Brown, B.A., M.E.

Vice-Principal's Message

Too often students become disenchanted with school because of boredom -- certain energies finding no outlet in "book-learning." Individual talents are possessed by everyone and the school affords a natural opportunity for these talents to be expressed. Far too many students leave school making little, if any, contribution to the life and spirit of our collegiate. No one can realize high values if they are content to exist as non-participating spectators. Therefore, pursue your qualities of leadership, your drive of ambition, your zeal for team play, your ability to create. Only through such action do we become part of the setting around us. Our success at Walkerville depends on you giving something of your talent, your skill and yourself. Do not allow your high school days to merge into wasted years. Participate according to your talents and attain a fuller and richer experience in life.

D.A. Mallender, B.A.

NEW TEACHERS

Added to our staff of capable English teachers is Miss Chapman, a graduate of the University of Windsor. She would like to pass on this bit of advice to her grade 9 and 10 students, "If at first you don't succeed try, try again."

Mr. Holavaci came to us from North York in Toronto. He considers Walkerville a "fine" school to teach at and enjoys his grade 9, 10 and 11 history classes.

Mr. Stomp, who is in his first year of teaching has returned to W.C.I. where he previously attended as a student. He went to the University of Windsor and took one year at McMaster University. Now teaching Latin and Physical Education, he still rates the school as tops.

After teaching elementary school for four years, Mr. Bellaire decided to teach high school mathematics. He received his degree from the University of Windsor.

Upon graduating from the University of Western Ontario Mr. Lawson has returned to his former high school to teach history to grades 9, 10 and 11. We are all glad to have him here.

Miss Cizek is contented teaching French and P.E. to her 9 and 10 classes. She is a pleasant addition to our school and has just graduated from the University of Windsor.

Assumption High has lost Mr. Britton but we have gained a gym instructor and math teacher. He is a graduate of the University of Toronto and the University of Windsor.

Mr. Halliday is spending his first year of teaching commerce and gym to the students in grades 9, 10 and 11. He attended the University of Detroit.

"Everything to its own place." This statement suggests a fanatical love of neatness and organization. It probably conjures up little in your mind. Possibly you will recall the condition in which you left your room this morning. But if you were to change the inanimate to the animate, the statement would become, "Everyone to his own place." This phrase now suggests more than just order and arrangement. Promise, security, hope in a future unknown as yet - these are the ideas expressed.

Place is the proper or assigned position, time, or character afforded to every man. Because each person on earth is unique in position and character, each man has a distinct and separate place in which to act. Often stubborn human will makes unattractive this proper place, and, man reaches out to claim a different situation at the suggestion of self-will.

An opportunity of letting go of this aggressive mental suggestion is offered to each member of the Graduating Class. Applications for employment and entrance into university are all highly competitive and over and over again we hear, "There are only a limited number of places available . . ." We are fearful of being left behind or forgotten - but if we could all hold to the truth that there is a place for everyone - the right place - then fear and self-will would crumble to its native nothingness.

For five years the Graduating Class has had the honour and privilege of attending Walkerville Collegiate Institute. We have learned an infinite number of lessons from the tradition and heritage that marks Walkerville with distinction. But of all the instructions we have received at our high school, the promise of security through education and hope in the future, will serve us as the most significant directions learned.

In June the place we shared together as Grade XIII students will dissolve and the memories of Walkerville will be momentarily forgotten as each seeks a new place. The parting of friends and the struggle forward will be made much easier if we know that the right decision will be made and our right place found.

Another better idea from Ford.

Better ideas count only if you are first. The selectivity tower pictured at Ford of Canada's new St. Thomas passenger car assembly plant is an example. It adds a new profile to the skyline of the Canadian automotive industry. Twelve storeys high, it stacks car bodies for immediate use when required on the final assembly line. It is a better idea — the kind that helps ensure better products.

Agora

The Agora's major fund raising project this year was the pen sale, organized by Jennifer Lacy and her financial committee.

On a cold, rainy Saturday in December a number of hardy students from W.C.I. participated in the Miles for Millions March. This was the Windsor on Wheels project to send a mobile agricultural school to Uganda. In an outstanding effort, our students raised \$4500 -- one eighth the total collected by the entire city! We received a trophy for the largest sum raised by any Windsor secondary school. Congratulations to organizer Larry Konyu and to all those who marched.

I should like to express my gratitude and appreciation to the industrious and co-operative Inner Executive: David Young (Vice-president), Cathy Whiteside (Secretary), Jennifer Lacy (Treasurer), Margie Anderson (Social Committee), and Ray Rush (Assembly Committee).

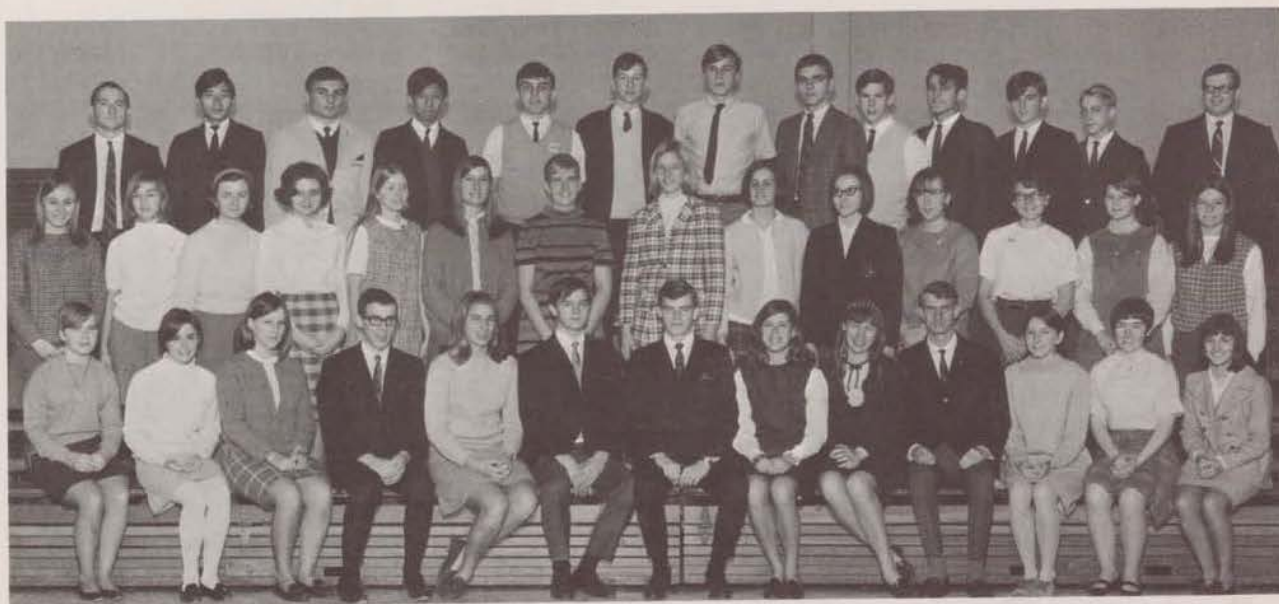

Special thanks to Mr. Dimmick and Mr. Lawson for their untiring efforts. Their assistance and guidance were much appreciated by the entire Executive. The generous support provided by Mr. Brown and Mr. Mallender proved extremely helpful.

My tenure of office was a most gratifying and rewarding experience. It has been an honour and a privilege to have had the opportunity to be a part of such a friendly and exceptional student body.

Don MacLeod,
President.

Shortly after the opening of the fall term, the Rump Agora, consisting of those members of last year's Agora, still attending Walkerville was organized. This committee, in addition to setting up the election of the new Agora executive, conducted two successful dances. Especially popular was the Get Acquainted Dance, preceded by the well-received grade nine and thirteen get together.

No sooner was the energetic 1967-68 Agora Executive elected than they inaugurated their programme for the coming year. Our Greek foster child, Constantine, was re-adopted. A Constitutional Revision Committee was set up to receive our present Agora constitution and system of government. In early November the annual semi-formal dance, "Carnival '67" was held. The carnival atmosphere was created by the colourful decorations and imaginative booths which lent a festive air to the occasion. Credit for the dances success goes to Ann McConville for her assistance, and particularly to Margie Anderson, whose efforts resulted in this being the first financially successful semi-formal in several years.

THE HONOUR SOCIETY

The Honour Society was established in 1959. It was set up to honour and encourage students to excel in four categories which are:

Academic Achievement
Athletic Participation
Student Council and Clubs
Service and Talent

The Honour Society has developed a keener interest in the school and is developing leadership qualities.

Group 1

When a student accumulates 100 points he is eligible for the honour society. For this he receives a crest.

Group 2

When a student reaches 175 points he receives further honour and a ring.

Group 3

When a student reaches 250 points he receives a trophy and his picture in the school library.

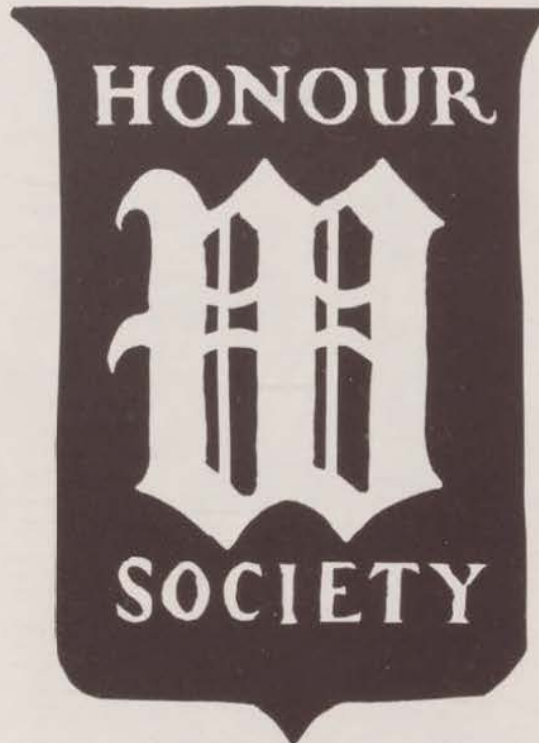

Mrs. Monger should receive a great deal of credit for the work that she puts forth. The Honour Society is well organized in her hands.

WAR

"War is hell!" and hell it was. Sprinting over the shell-shocked earth, a squadron of granite-faced men forever pressed on, while enemy bullets whizzed through the acrid air, searching for young, heart-pounding chests as their targets. The ground shook and disintegrated into billowing clouds of dust; particles of the red-stained earth showered the living, the dead, and those who were in the world between. Tanks groaned and rumbled; machine guns barked; grenades exploded; and in the distance, the sound of howitzers and mortars added to the cacophony of war.

THE DICKENS, YOU SAY!!

SENIOR PROSE 2nd Prize

There was a student known to all of us at Walkerville who was the most ill-tempered, sour, unfriendly, and, needless to say, unpopular girl at school. And worst of all, she had the indescribable disloyalty to stay away from all our football games in order to study. She had no friends, and wanted it that way. Oh, there had been one: Marlo, a girl who had attended W.C.I. until her untimely death a few years ago. Yes, Marlo was dead, now-- "dead as a doornail." Some even said she died of too much studying!

This year, when the time came for our most vital game, the last chance we had to win, this girl, Eliza, let everybody know that she was not going.

"What," exclaimed her class-mate Brick Easter, "but you've got to go!"

"Humbug!" said Eliza indignantly, "If I could work my will every fool who goes about with 'football' on his lips should be trampled upon with spiked shoes and buried with a goal-post through his heart."

"Eliza!" exclaimed Brick.

"Look," said Eliza vehemently, "you support the team in your way and let me support it in mine!"

"Support it?" repeated Brick, "But you don't support it!"

"Then let me leave it alone in peace," returned Eliza, "much good it does, yelling and screaming -- they lose all the same!"

And so she went on denouncing football, refusing to say anything good about it until the night before the last game. On that night, she had just started to study, when these terrible noises began. Then came the sound of someone moaning pitifully, and of chains rattling on the stairs. Slowly a spirit emerged through the locked door. It was Marlo's ghost, come to inform Eliza that her lack of school spirit was forging a chain which had been of equal weight when Marlo died on the night of the great Tartan victory back in '65. The ghost also told Eliza of three spirits that would haunt her, and that she should heed their advice. Having then fulfilled its mission Marlo's ghost vanished.

Denouncing the whole thing as a "Humbug", Eliza retired, hiding under the covers.

She was awakened at the stroke of one. Sitting up

in bed, she viewed the first spirit. It was a strange creature, strongly resembling a Lump.

"I am the ghost of school spirit past," it intoned. "Come with me."

The spirit transported Eliza back to the days of Walkerville's championship in 1965 for the last minute of play. The crowds were cheering.

"They all came to the games when the team was winning," the spirit observed. And suddenly it was over. Eliza found herself back home, facing the second spirit.

This spirit was older than the first, and in its right hand it carried a pointer, which it swung while speaking.

"I'm the ghost of school spirit present, and you're coming with me," it said, pointing at her.

They were transported to the stadium. This time it was very quiet. There were players on the field, but few spectators on the Walkerville side. After the game ended and the stadium was empty, they heard wailing sobs. The whole team was weeping because they felt unloved.

"There," said the spirit, pointing, "look at what you and people like you are doing to the team's morale." With that the spirit vanished and the last spirit appeared.

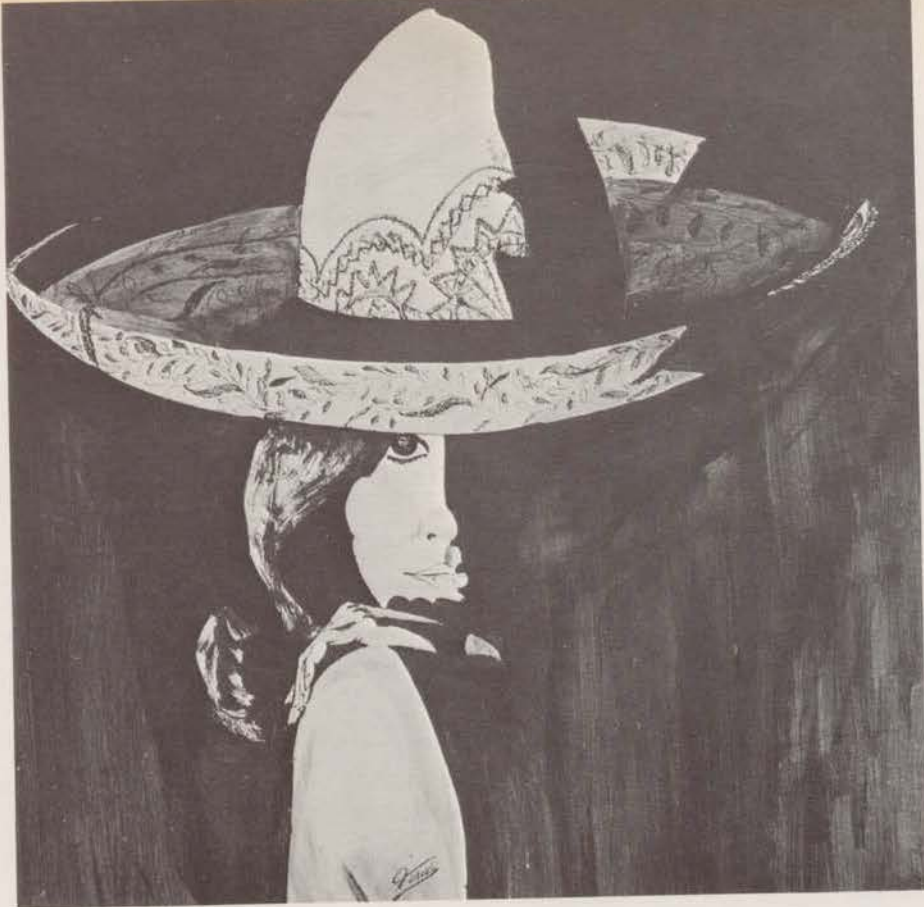

"Come," it beckoned, "I shall show you the future of the Tartans."

Immediately, they found themselves in a deserted locker room containing moth-eaten uniforms, deflated footballs, and dusty pads and helmets. Everything was deteriorating from not being used.

Shocked at what she saw, Eliza promised, "I will honour school spirit in my heart and I will never forget the lessons I have learned tonight. But tell me, O spirit, are these the things which shall be, or the shadows of the things which might be? Can these things be changed?" But the spirit had vanished.

The next day Eliza was true to her word. Her new-found school-spirit affected everyone in the school and everybody went to the game that night. They yelled and cheered so loudly that the Tartans broke their losing streak with a 102 to 0 victory. Well, you knew all along that this story wasn't true!

BOOTS

Boots is Laura's "human" cat.
 He's awfully lazy and a little fat.
 We call him "human"; he thinks he's people.
 He crawls in boxes
 (like children do),
 He sleeps in a bed,
 (Laura's bed, too),
 He sits at the table,
 'Though he doesn't say grace,
 And the room with the 'fridge
 Is his favourite place.
 But we don't care,
 And we're presumin'
 That others won't mind
 Our cat that's human.

T.V.

T.V. is a great invention,
 But some people play on the pretention
 "Oh, we never watch the thing,
 And we keep our children studying."
 "We wouldn't have one in the house."
 But it's all a game of cat and mouse.
 They wait till their children go to sleep,
 Then with the portable they keep
 under the bed during daylight, they creep
 Softly into the livingroom
 And set it down quietly in the gloom
 Of late night, or is it early morning,
 And watch it till all hours, mourning
 Of how their children could lose their vision
 By sitting too close to the television.

ME

I am not what I was
Nor what I am.
I - slide.
Shadowy
I shift,
Discarding what I felt
Not knowing what to feel.
I reach the end of an empty
hall

And turn
And see my moulted souls
coiled
On the dusty floor like insect's
wings.
And I walk on
Not knowing.

ODE TO A MAN DEAD IN EIGHTEEN HUNDRED
AND NINE OF A SERIOUS OPERATION

Here he lies
With sightless eyes
A Tribute to Modern Medicine;
He died très vite
At a surgeon's feet
Before the invention of Edison.

He had a tumor,
And popular rumour
Says he died of a slip of the knife.
But his rapid decline
Was a very sure sign
Of his love for the scandalous life*

So let us now mourn
This man all forlorn
And take note of the cause of his death
And try to refrain
From placing a stain
On the man that relieved him of breath!

LIFE

Minute, delicate, yet to bloom
Into maturity, she stands
Prepared for the onslaught.
The rigorous winds wallop.
Wildly through the hallowed halls,
Snap her young and tender branches
Leaving, momentarily, scars.
Painfully she retreats
Into her protected cove;
Licks her superficial wounds,
And mustering boldly her few
But mighty strands of power
Starts this rough journey

Once more.

REFLECTIONS

I feel this moment in my command
to touch the world around; I stand
On promises I have fulfilled
On thoughts of love that hold me
thrilled.

The beauty of this earth has filled
My heart with questions still unan-
swered

Of how this glory can be missed,
When all around us has been kissed
By scenic beauty; and how I wonder
That others are too blind to see
This world as it is known to me;
That all they know is to fight and
flee

From men whom they once called
their brothers.

But I see things with a hopeful face,
And to me this world is a wonderful
place.

STORM

Purplish masses had hung on the horizon several days - silent, sullen, still. Then, in the deadly quiet of an autumn twilight, they received their first command to advance. With each hot, gusty breath, the storm urged the turbulent clouds on till they swirled madly at their frenzied boiling point. As the clouds heaved and rolled above, the earth trembled fearfully below, awaiting the first merciless onslaught of the storm. The leaves hung still. Suddenly a long roar of elms was heard as the trees were driven to the dirt just to be whiplashed viciously up, around, and back. In all its glorious fury the storm burst forth on the vanished plain. Flashing zigzags of lightning stabbed and tore the inky clothes of heaven while peal after peal of deafening thunder tolled in the sky. The torn and shattered cloud lines scurried before a roaring front which left twisted branches and deformed trunks in its wake. The piercing scream of the wind rose to a fever pitch till, suddenly, the note faltered, died. The lightning faded. Quietly the rain fell, bathing the earth's wounds and safely singing it to sleep.

B.A.A. REPORT

The Walkerville B.A.A. enjoyed a very successful schedule again this year. Under the direction and supervision of Mr. Allison, aided by his fellow physical education instructors, the interform competition provided many interesting encounters between the rival classes. One of the purposes of the boys' Athletic Association is to give boys not competing on school teams for various reasons, a chance to play and enjoy the games available.

The Junior School played basketball in the late fall and Winter and 10A emerged as victor. The Grade 13's will compete in a contest this spring.

All in all, the B.A.A., playing its significant role in the development of the boys' Athletic programme, produced many lunch-hour games that were enjoyed by everyone.

Jon Charlton, President.

SENIOR FOOTBALL

BACK ROW: George Cory, Terry Machina, Jon Weiss, Bill Hamilton, Don McLeod, Gary Turner, Wayne Ferguson, Les Camlis. THIRD ROW: Rick Dixon, Marcel Marchand, Jamie Dunn, Dave Brown, Joe Valente, Jon Charlton, Billy Anderson, Doug Klinck, Richard Renaud, Fred Smith, Jon Jackson, Wally Lozynsky. SECOND ROW: Harry Rosenbaum, Alex Radivojevich, Scott Martin, John Stewart, Mark Ferrarini, Dave Tollington, Cam Macdonald, Ralph King, Gord Smith, Phil Miller, Pete Mateja. FIRST ROW: Mr. Wortley, Peter Kalman, Bill Curry, Bob Rudak, Bill Bashnik, Mr. Miller, Paul Innes, Rick Jones, Morris Cousineau, Mike Beaton, Don Christie, Mr. Allison.

The Tartans record of no wins and six losses does not reflect their true playing ability. The outcome of many of their games were not decided until the latter stages of the game. A fine offensive unit really never got rolling due to injuries to a few key players. As a result of his exceptional effort Terry Machina made third string on a fine All-City selection. Walt Lozynsky did an excellent job taking over as quarterback when Don McLeod injured his knee and sat out most of the season. Special thanks goes to Mr. Miller and Mr. Wortley for their excellent coaching.

JUNIOR FOOTBALL

BACK ROW: Dave Neal, Douglas Sprague, Bob Saunders, Bill Gattfield, Gerry St. Pierre, Warren Meretsky, Dennis Piper, Murray Scott, Mark McArthur, Ron Semple, Jay Glenndon, Pete Weber (manager). CENTRE ROW: Mr. Frazer, Jeff Cowan, Bob Osborne, Cam Spooner, Al Lossing, Terry Patrick, Brian Plenderleith, Dennis Hannon, Gary Gletler, Bruck Easton, John Fraser, Nick Drakech, Richard McDonald, Ian Boyd. FIRST ROW: Gord Smith, Werner Krause, Dave Tisdale, Tom Desjarlis, Andy Noven, Neil Gardner, Murray Lacy, Peter Machina, Tom Wright, John Britton, Rick Shertzer, Dan Wilson, Bill Beaton, Mr. Halliday.

This year was the first in which Walkerville participated in the two-year old junior football league. A fine turnout, with good potential for senior football, showed the great interest in the sport. Equipment was hard to find at first, but soon all were equipped and started vigorous training. Starting slowly, the team lost its first game by one point, but swept the rest of its games to clinch 1st place of the Eastern Conference, of which they won the championship by bouncing Tech 25-6; thus representing W.C.I. in the city finals. Unfortunately, in a very close game, because of poor conditions and a last second touchdown by Patterson, the Tartans were edged out by 6-0. Special thanks should go to the coaches, Mr. Halliday, and Mr. Fraser, and their assistant, Mr. Britton. They did a tremendous job in developing the team which, with several key members returning, should do even better than this year's, if the students will support it with attendance at games.

VOLLEYBALL

BACK ROW: Bill Lozinsky, Carlo Dezan, Dave Cade, Mr. Dunn, Bill Schertzer, Ken Bialkowski, Bob Scott. FRONT ROW: Paul Malac, Bill Jenkins, Bill Todd, Phil Miles, Ted Wypich.

The senior team this year missed the Eastern Division Championship Playoffs by two points. However the team ended the season with a three win; four loss record in a well balanced league. Thanks goes to their coach Mr. Dunn for his fine leadership and his ability to keep his cool at the crucial moments. We are hoping that the tide will turn and their record will be reversed next season, allowing Walkerville once again to reign as Senior Volleyball Champions.

SENIOR BOYS' BASKETBALL

BACK ROW - Alex Gemmel, Bill Dragich, Bill Todd, Pat Goggins, Walt Lozinsky, Bill Skowron, Bill Hamilton, Bob Scott, Terry Machina. FRONT ROW - Bill Lozinsky, Pat Marcus, John Charlton, Mr. Montour, Mr. Allison, Ken Bialkowsky, Don McLeod.

SENIOR BASKETBALL

This year the Tartans were again to return the W.S.S.A. crown to Walkerville.

The Tartans started out strong and entered the University of Windsor Christmas Tournament with a perfect record. They managed to get to the finals with little difficulty but lost to last year's champion, Assumption High School.

The Tartans had little trouble the rest of the season. They were handed three minor setbacks and finished the season with an excellent 13-3 record.

The last game of the regular season proved to be an exciting one for the Tartans as they were out to revenge Assumption and handed them their first defeat in forty one games.

When the playoffs came around the Tartans trounced the Brennan Cardinals in the semi-finals but lost a hard fought battle to Assumption in the finals.

The team this year centered around their tremendous player Walt Lozynski who was named unanimously to the All-City Squad. John Charlton also added a great deal to the Tartans success. Pat Goggins, Bill Todd, Don McLeod, Bob Scott, Paul McAiney and Bill Hamilton played important parts on the team this year.

Congratulations go to Mr. Montour who did an excellent job of moulding the team together.

JUNIOR BOYS' BASKETBALL

BACK ROW - Pete Weber, Graham Langmaid, Cam Spooner, Bill Curry, Tom Hamilton, Mr. Allison, Mike Beaton, Mr. Miller, Murray Lacy, Peter Britton, Jeff James. FRONT ROW - Dan Wilson, Alan Lossing, Dennis Hannon, Ron Stewart, Jeff Cowan, Brian Plenderleith, Doug Sprague, Richard McDonald.

The Juniors, this year, showed themselves to be one of the strongest teams produced in recent years. They swept to a tie for first place with Brennan, posting a 10-1 record. Unfortunately however, they bowed to Kennedy in a disappointing semi-final loss.

A strong first string of Brian Plenderleith, Ron Stewart, Doug Sprague, Bill Curry and Jeff Cowan provided the nucleus of the team. Solid support was given by Al Lossing, Dennis Hannon, and Murray Lacey as well as the rest of the team.

Special gratitude is given to Mr. Miller for his fine coaching during the season. Good potential for the next year's team is excellent, even with several players leaving for senior ranks. Another fine season is anticipated for next year.

FRESHMAN B-BALL

BACK ROW - Mike Nican, John Martinuzzi, Greg Stewart, Larry White, Rick Schertzer, Greg Moore, Brian Grieves, Gerry Dawson, Joe Maceyouski. FRONT ROW - Mike Roberts, Eddie Jamrog, John Clark, Alan Stickly, Mr. Britton, Brian Hannon, Mr. Allison, John Glendon, Neil McTavish, Robert Bell.

The Freshman Basketball team put in another solid effort this year. Practising before school, our grad-niners formed a solid team and had a successful season, posting an 8-2 record and finishing third in the city.

Much credit should be given to Mr. Britton who ably coached the team. A strong first string and solid bench, shows great potential for next years with the Juniors.

SOCCER

BACK ROW: 1, Gord Chan, Terry Perry, Nick Munkacs, Pete McLeod, 5, Alfred Lebharz, 6, Larry Sterling. MIDDLE TOW: 1, Mr. Lawson, Ken Sterling, Ivan Benic, Julien Inwood, Vince Salinitri, Kevin Wood. FRONT ROW: Dan Alvarez, Fernando Martincic, Pete Pican, George Strohschein, William Pitman.

This year's team was greatly improved but failed to make the play-offs. Their seasonal record ended up to be two wins and three ties with two losses. Their best game of the season was a 1-1 tie against Lowe Tech. Their ability in the game was evident and they played together as a fine unit. Thanks go to Mr. Lawson for his fine coaching.

GOLF

George McHallam, Warren Meretsky, Bill Dragich, Mr. Curry, Bill Curry, Rich Biasatti.

Once again, the Walkerville golfers put in a solid effort. Led by Bill Curry and Bill Dragich, and closely followed by Warren Meretsky, George McHallam and Richard Biasatti, the team were well up in the standings of the WSSA tournament. Special thanks should go to Mr. Curry who again did a fine job of coaching the team. With more interest in the future years, the golf team should do very well.

SENIOR SWIMMING

BACK ROW - Jim Montagano, Marvin Beneteau, David Perkins, Rick Bigness, Harry Rosenbaum, Peter Kalman, Mike Beaton, Mr. Stomp. FRONT ROW - Bill Motriuck, David Young, Ross Anderson, Cameron MacDonald, Jan Maltby, Ralph King, Dave Brown.

BOYS' SWIMMING

Under the coaching of Mr. Stomp, the swimming team didn't do too badly this year. The seniors placed third in total points and the Juniors also third. The Seniors were especially strong in the Free Style Relay Race. The swimmers were Ross Anderson, Dave Brown, Peter Kalman and Harry Rosenbaum. The top senior swimmers were Ross Anderson and Dave Brown; the top juniors were Doug Sprague and Cam Spooner. Congratulations are extended to all those boys who participated.

JUNIOR BOYS' SWIMMING

BACK ROW - Doug Sprague, Charles Wright, Billy Anderson, Cam Spooner, Nick Drakich, Mr. Stomp. SECOND ROW - Steve Donahue, Nick Nesonivich, Hardy Sanderson, Peter Britton, Tom Robson, Brian Donahue. THIRD ROW - Joe Garber, Ian Boyd, Paul Britton, Doug Brown, Greg Palmer, Andy MacKenzie, David MacKenzie.

CROSS COUNTRY

BACK ROW - Doug Hartlen, Ernie Parachnowitsch, Peter McLeod, Dave Cape, Phil Miles, David Podgurecki. CENTER ROW - Terry Burton, Gerry Dawson, Graeme Langmaid, Dave Brown, Mr. Montour, John Schertzer, John Inkertosh. FRONT ROW - Tom Robson, Bill Motriuck, Ignatius Power, Ross Cambell, Mike Lockwood.

HARRIERS 67-68

Walkerville's Harriers again put in another fine effort in the competitions. Unfortunately, due perhaps to junior football, the turnout was less than other years, and they did not quite equal past victories that have been won. The senior team placed second in both the WSSA and SWOSSA meets, - a very commendable effort - , and Ernie Parachnowitch placed second in both Junior competitions. The whole team should be congratulated for their constant, strenuous efforts, which few others seem to appreciate. Once again, Mr. Montour and Mr. Wood gave valuable coaching to the team and are thanked very much. Good potential is present, and with more members next year, W.C.I. should continue with its fine record in cross-country.

TRACK

BACK ROW - Pete Machina, Murry Lacy, Bob Konyu, John Stewart, Ed Dion, Bill Schertzer, Peter Kalman, Pete Buzzelli, Ivan Benic. CENTRE ROW - Paul Malec, David Podgurecki, Dennis Hannon, Ernie Parachnowitsch, Dave Brown, Alan Lossing, Terry Machina, Bob Rudak, Mike Lockwood. FRONT ROW - Larry Konyu, Don Christie, Dave Cape, Mr. Montour, Dave Lamac, Rick Dixon, Walter Lozynsky.

TENNIS

BACK ROW - Andy Root, Alan Luborsky, Eric Jenkins, Ken Bialkowski, Dave Young, Pete Weber. FIRST ROW - Mr. Mandel, Marcia Glos, Anne Young, Bonnie Hutton, Heather Berkley, Shan Spooner, Jane Saunders, Miss Cizak.

TENNIS TEAM

This year's tennis team possessed the qualities of a typical Tartan team: fine sportsmanship, diligent practice, and fighting fever, all of which resulted in a splendid performance. Heather Berkeley and Bonnie Hutton (girl's double) captured the WSSA championship for Walkerville. Under the fine coaching of Miss Cizek and Mr. Mandell the following entries provided Keen competition:

Ken Bialkowski and Pete Weber (boy's singles)
 Noel Montagaro and Linda Mlacak,
 David Young and Ann Young (mixed doubles)
 Marcia Glos and Shan Spooner (girl's single)
 Peter Buzzelli and Paul Britton, Eric Jenkins and
 Andrew Root (boy's doubles)
 Anne Lembke and Jane Saunders (girl's doubles)

Several reached the finals. Perhaps next year we'll take the extra step to victory.

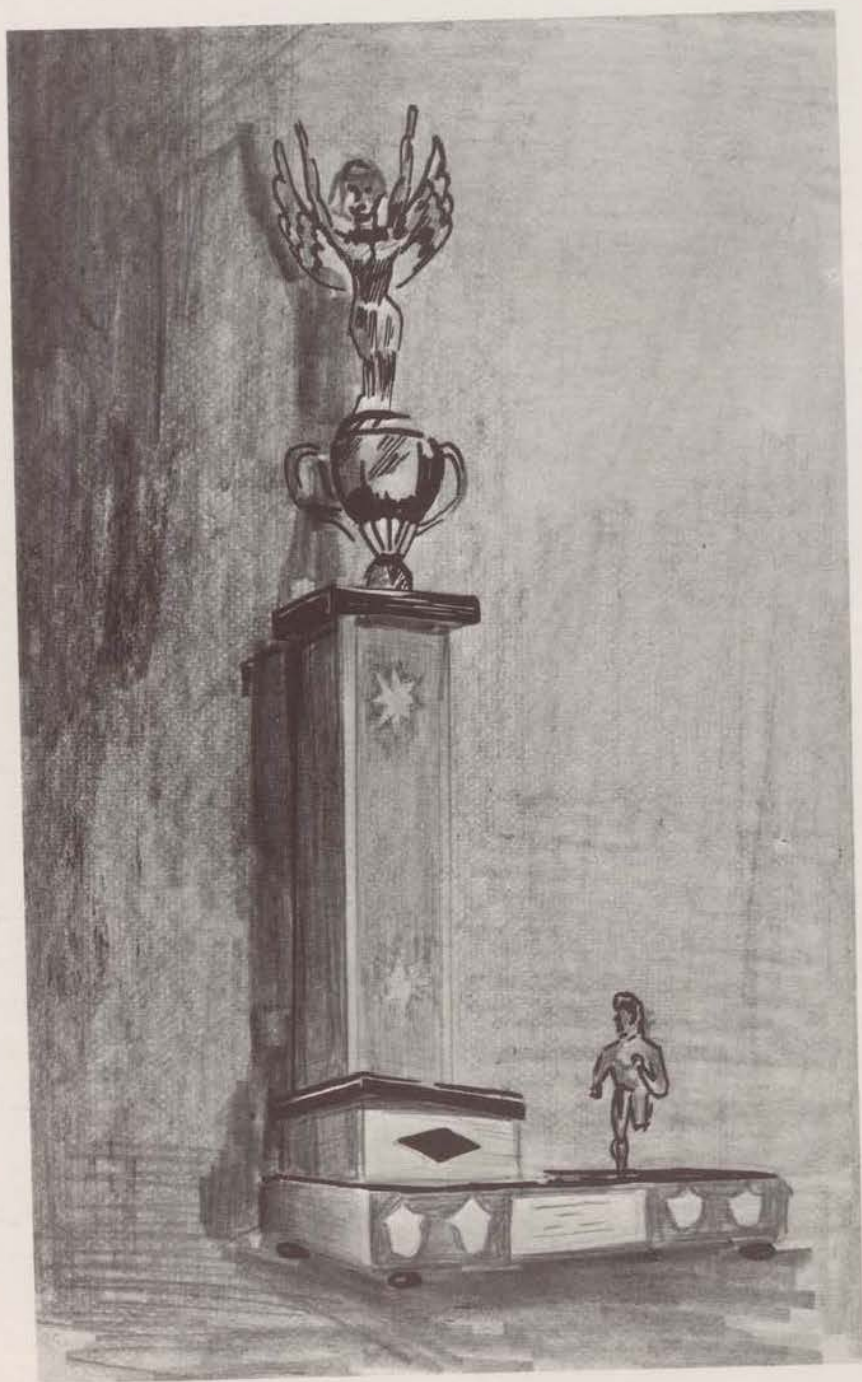

BADMINTON

BACK ROW - Ted Wypich, Ivan Nemick, Dennis Robertson, Bill Schertzer, Bob Konyu, Dave Lamberk. MIDDLE ROW - Larry Konyu, Cathy Whiteside, Marcia Glos, Mr. Lawson, Margie Joy Anderson, Cheryl Long, Alfred Lebherz. SENIOR GIRLS VOLLEYBALL

The Senior Girls Volleyball team proved that all their hours of practice paid off by losing only one game in regular play to Riverside, but unfortunately their spree was stopped by Massey to whom they lost their semi-final game after a hard struggle. The first string players were Barb Stewart (captain), Cathy Whiteside, Jane Micsinszky, Bonnie Hutton, Heather Berkeley and Donna Stewart. Under the skillful training of Miss Parkinson the girls had a good season and are looking for bigger and better seasons to come.

BACK ROW: L. to R. Sandy Martin, Cheryl Dulmage, Joanne Machina, Dolores Momotiuk, Sandy Oberemok, Millie Maodus, Donna Horne, Cindy Long, FRONT ROW: Joanne Filipic, Nancy Coltas, Gail Cherwiniski, Miss Shillington, Linda Muhleisen, Holly Croll, Jane Mencil, Linda Vendrasco.

JUNIOR GIRLS VOLLEYBALL

This year the Junior Girls Volleyball team came very close to winning the WSSA title. In the semi-finals they lost to Kennedy, who went on to win WSSA. They had an excellent record and lost only one other game in the season which shows real promise for next year. The first string consisted of Donna Horne (captain), Sandy Oberemok, Joanne Filipic, Joanne Machina, Marie Murphy and Gail Cherwinisky. The girls and Miss Shillington worked hard and are to be congratulated for a fine season.

Joan broke her own record in breaststroke and Susan broke her own record in butterfly. The freestyle relay (Bonnie Hutton, Joan Sanderson, Lynda Young, Linda Calsavera) and the medley relay (Bonnie Hutton, Mary McKenzie, Susan Sanderson, Shan Spooner) won in W.S.S.A. also.

The Style Swimmers deserve a great deal of credit because they not only practiced four times a week but also at eight in the morning. The Seniors won the Team Championship also. Walker-ville can also boast of having all three individual champions; Linda Muhleisen in the junior division, Barb Stewart intermediate, and Wilhelmine Strohschein, senior. In W.S.S.A. Barb set a new record for running broad jump of 18.1 feet which was two feet more than the previous record. In S.W.O.S.S.A. Congratulations go to the girls and to Miss Parkinson for the great showing.

With most of the girls returning, it is hoped that next year the team will be a championship one.

Thanks goes to Miss Parkinson for her fine coaching.

SENIOR CHEERLEADERS

BACK ROW: Cathy Whiteside, Gabrielle Bociago. FRONT ROW: Wendy Smith, Wendy Percival, Lynn Perrit.

THE CHEERLEADERS

This year's cheerleading squad endured the snowy wet cinders of the football field and the blistering heat of the gymnasium to cheer our teams on to victory. Each Friday morning the last minute completion of homework in the usually tranquil cafeteria was broken by the practising cheerleaders as they shouted out "Yea Tartans". To inspire spirit and loyalty, throughout the year, they sold school colours, and made posters and cheered at assemblies. Through hard practise, the cheerleaders perfected the various cheers and added a number of new ones.

The girls can't do it by themselves, so come out and support our teams and our cheerleaders!

SUB. CHEERLEADERS

The Gymnastics team is a new organization in our school this year under the supervision of Miss Cizek. In watching a practice, one might see these girls performing such feats as "walk overs" or "head flips" and other skilful manoeuvres on the uneven bars and the horse. Other features of gymnastics are trick skipping and tumbling routines consisting of a series of different rolls. The girls enjoy their twice a week practices and although the membership is small this year, the club is looking for even more members next year. Any girls looking for fun and a way to stay trim, come out for gymnastics next September.

GYMNASTICS

Each year delegations are sent to the Model U.N. in Windsor, to a two-day conference at the University of Detroit. One delegate is chosen to visit the United Nations in New York. This year delegate Jane Saunders, reported that her trip to New York was very informative and also interesting.

HOSTESS CLUB

The Hostess Club takes a very active part in our school. Its duties consist of providing refreshments at staff meetings, serving at the graduation and helping to set up hospitality situations as they arise. The girls have taken many trips. One of these was a bus ride to Leamington where they visited the H.J. Heinz Company. There the girls toured the plant and were allowed to taste some of the products. Other events such as ushering at the Cleary Auditorium on behalf of the Union Gas Company and exchanging trips with Patterson Collegiate proved to be very stimulating.

This club was formed this year to increase Walkerville's school spirit. It proved very successful, with a large number of members. During the football season they painted our covered wagon blue and white and took it to a few games to arouse school spirit. The club worked closely with the cheerleaders and stayed many nights after four painting signs to encourage spectators. Although Walkerville was not outstanding in football this year the students stood behind the team. We are looking toward a highly successful basketball season and a better football season next year.

W.C.I. ORCHESTRA

The Walkerville Collegiate Orchestra opened the 67-68 season with a performance at Walker Road Public School. As a contribution to the trip fund, members of the orchestra banded together to make the car wash a shining success. In order to put plans for a trip into action, we have launched a new money-raising project entitled "Series 60". For a small fee parents and students may attend four evenings of chamber music featuring talent from the W.C.I. orchestra members. New selections in the orchestra's repertoire are: Andalusia Suite, Russian Sailors' Dance, Handel's Water Music, Sound of Music, and West Side Story.

The orchestra wishes to extend a heartfelt thankyou to Mr. Curry for his understanding and competent leadership.

C.O.'S MESSAGE

Since its inception in 1922, the W.C.I. Cadet Corps has had a fine record. This year has been no exception.

For those boys who are enrolled in our officer training programme, their participation will be a long remembered, rewarding experience. Not only will they have learned self discipline and obedience, but they will also have contributed to the school with more than just an academic effort.

Our cadet corps, although somewhat smaller in size as compared with previous years, still has the spirit essential to a good corps. Participation in military training is a valuable part of our school life. It is an opportunity for the young man to show that they have not lapsed into the abyss of apathy, but on the contrary, are keen and proud to represent our school and our country in uniform and represent it well!

The hours that the Officers, Cadet bands, Signals and First Aid Corps put in, as well as those of the regular cadets, were well worth the effort when in May, at our annual inspection, they put on an excellent exhibition of military skills.

To all those who helped make this year a success, I would like to offer my thanks - especially to the hard working sponsor teachers and Quarter Master's Store Assistants. It has been an honour commanding our fine Corps.

Lt/Col David H. Young

CADET OFFICERS

This year the cadet officers have been initiating a rapid preparation for the coming inspection by holding weekly drill parades and making early promotions. The senior cadet officers are involved in training junior and senior N.C.O.'s in the basics of close order drill and issuing commands.

The Senior Officers include Cadet Lt.Col. David Young O.C., Cadet Major Bob Konyu, 2 I.C., Cadet Major Alan Luborsky, and Cadet Captain Dave Cape Adjutant, Cadet Major Cliff Ganney, Cadet Major Paul Innes.

At the twice-weekly meetings of the pipe band the skirl of the bagpipes can be heard echoing through the halls. Under the leadership of Mr. Cruickshank and his instructors, the pipe band has become a group of excellent musical prowess. New recruits are being trained to carry on a great tradition of the Scottish heritage of W.C.I.

CADET BAND

At early morning practice sessions the cadet band makes the corridors ring with the sound of stirring marches. This group of diligent and talented musicians is under the capable sponsorship of the music department head, Mr. Curry. Under the leadership of Larry Konyu (Director of Music), this band should earn many awards. Special thanks should be given to Mr. Curry for his contributions to the band.

The basics of communication by morse code, field telephone and walkie-talkie are taught by qualified instructors. The members of the signal corps wish to express their thanks for the inestimable guidance and advice of Mr. Kupnicki, their teacher-sponsor.

CADET INSPECTION 1967

The climax of a long season of training and close order drill arrived May 5, 1967 at Stodgell Park when the W.C.I. Cadet Corps was inspected. After a fine display of proficiency in rifle calisthenics, several awards were presented.

The best Cadet award was presented to Warrant Officer Ron Werner of the cadet band. Cadet Lieutenant Bill Hamilton received the best platoon award for 7th Platoon "B" Company. Cadet Major Tim Filipic accepted for "B" Company the award for best company in the inspection.

Thanks are in order for Chief Instructor F.O. Montour for his aid in organizing the inspection.

FIRST AID CORPS

This year Mr. Mandel has initiated the revival of an important branch of the Cadet Corps. At weekly meetings the members of the first corps are taught the basics of first aid and life saving under emergency conditions. The new sponsor of this group, Mr. Mandel, and his many instructors deserve thanks for their invaluable assistance.

RIFLE TEAM

Again this year under the capable direction of Mr. McCauley, the rifle team has proved its worth by turning out expert marksmen. The team's members are taught how to handle rifles carefully and fire them properly under the watchful eyes of qualified instructors. The team members wish to thank their coach, Mr. McCauley for his excellent leadership.

11D AT CAMP

It was a sunny day as Dave G. and Blair set out to pick beans. They looked for Paul and Kevin but Paul was in with the girls and Kevin was out with the guys. Carol C. was on K.P. and Dave B. was (censored). Dann was swinging in the village and Dave M. was swinging on the vines. Joan and Meg were canoeing in the swamp while Cathy was singing "Down By The Old Mill Stream" and Bruce was letting "it all hang out." Vince and Eddy were out and about in their yellow submarine, and Lois was smearing ketchup on the cafeteria walls. Rik hid under a cabbage leaf so our counsellor Mrs. Monger, would not find him. Gord and Viv developed ptomaine poisoning caused by Gloria's home cooking. Karol got her beauty rest while Terry read her "Joe Bond 006¢" Darlene W. wrote to Steve so Darlene C. wrote to her mother. Grant, Louie, and Bill screeched around the cabin to see Judy in disguise. Jim and George got all Torn Up, while Phil and Allan sang "Old Lang's Igne." Nancy went to the Orthodontist while Connie aired out her sleeping bag. Poor Marlene missed all the fun because she went out with Al.

11G CLASS NEWS

From the grapevine we learned that Mrs. Birch's 11G is producing a variety show. The master of ceremonies is our "man about town"-Paul Marton. The show begins with the talented foursome Richard Biasatti and the Browns, with Rich singing, accompanied by Wally on drums, Pete on guitar, and Dennis on L.S.D. Next comes "Who's Afraid of Mrs. Waddell!" starring Bill McIvor with his fabulous line "ouin, ouin, ouin." Co-starring are Don, Paul Malec, Jim, Francis, and Worby, who plays a very "moving" role as a motorcycle! Following this are Richard Walsh and "Herbie" Earl, the trained porpoise. Next is a "steal" from the "George Pierrot Show". Along with her intellectual team of Carol, Marie, Millie, and Linda, Anne gives us an extensive report on Britton-inside or out. As we near the end Marc and Donna will engage in a weight-lifting contest. Some fantastic feats of strength are expected. The highlight of the evening is the Grand Ball. The winning couple will mostly likely be Nellie and David. Surprisingly two girls-Jane and Sandy invited outsiders from 12 A and grade 13. Thanks go to all those behind the scenes, who are helping with this fine performance. Our producers Clifford, Cathy, and Marlene are doing a great job. There is also Mervin who created the props (which goes to show you that scenery isn't everything.) Special thanks goes to the talented Jone Krawczyk, the curtain puller. "A splendid time is guaranteed for all!"

Ranald Thurgood and J. R. Piercell

CREDIT UNIONS ARE FOR FAMILIES

The Credit Union idea was first conceived in the mind of Friedrich Wilhelm Raiffeisen, mayor of several villages of Germany during a time of great famine nearly one hundred years ago. He dedicated his life to the establishment of credit societies in his native land. The humanitarian ideals and experiences of Raiffeisen were the guideposts for those who followed in Credit Union work. Principles such as the common bond of association for membership, profit-sharing by the Credit Union members, and officers elected and serving as volunteers without pay are part of the modern Credit Union's tremendous heritage from Raiffeisen.

The young people of today are the ones who will continue this heritage.

On behalf of Credit Unions everywhere
we wish to extend our congratulations
and best wishes to all graduates.

We will be happy to answer any inquiries

Forget about the travel.
 Forget about the pay.
 Forget about the long
 vacation.
 And forget about
 the great people.
 Just think
 about the
education.

If you're 16 to 20, with a Jr. or Sr. Matriculation, the Canadian Armed Forces Regular Officer Training Plan offers you a college education and a career, too. After four years of academic and military training you graduate with an academic degree in Arts, Science or Engineering, *and* an officer's commission. You get some nice extras in the ROTP: an opportunity to travel, one month's vacation with pay, and the chance to meet great people.

If you're interested in an education, a rewarding career, and special benefits, write today to:
